Raising your Tweens & Teens does not have to be a struggle. It can be one of the most rewarding experiences. But since children do not come with a manual, the question remains: How? How can you best help them grow into happy, upstanding citizens operating on their own initiative?

On the Successfully Parenting Tweens & Teens Course you will learn:

The importance of giving youth a purpose in life and how to do it.
The role contribution plays in a young person's life and how it influences their attitude and behavior.
What you can do as a parent to give your tween or teen a brighter, happier and more prosperous
