

Evening Matric Farewell Dress (4000 R)

Location **Gauteng, Johannesburg**

This dress was made by a designer especially for "bigger" women (but it can be altered). The colours of the dress is a very unique burgandy red colour with black. The colour does change in certain lighting. The black piece that comes with the dress is not the black part that you see in the photos, but rather a piece to be worn under the dress to make it "poof";
