## Product Overview

Music anytime, anywhere!

The Divoom âœlfit-3âœ is a High quality stereo system with speakers integrated on both sides. The clever space-saving, slanted design helps you to place your device for optimal view. The ideal choice for watching movies or to take it along with you when you travel.

The assembled âœPo-Bassâœ technology delivers deeper and more powerful bass in compact body. There is no needs to worry about being near an outlet, the iFit-3 receives its power through a rechargeable battery - listen to music or watch movies for up to 7 hours battery life.
