Caravelle 2.5I with very good tyres, A/C, was registered in Swaziland. Has been off the road for about 4 years due to licence being unpaid in Swaziland. Will need major service but was in excellent running condition. Inside in very good condition except for arms of front chair coming loose.material etc very good. Needs new battery and had 2 front mirrors stolen. There are several scrapes and bashes on the body, namely bumper at back where a car rode into us, and passenger side scraped along sliding door and handle broken. Will take better photos in daylight. Just one from the back showing bumper damage and one inside to show upholstery and seats down at the back. Happy to negotiate. Have made enquiries. Car can be relicensed in SA once roadworthied. Please whatsapp me on 083324 4325. We are in Honeydew
