Selling my ATI XFX HD5850 1GB GDDR5 as I have upgraded to a Nvidia GTX680. The card is in full working condition and can still run modern titles mid-high to settings such as Battlefield 4 and Crysis 3. This card provides excellent performance in titles such as League Of Legends, Dota 2 and Counter Strike Global Offensive. The card can handle these titles at 1080p 60fps maxed.

(Used) ATI XFX HD5850 1GB
