Improve your hearing and don't miss words and other important things. Do you struggle to hear the TV? The Smart Ear listening device will enable you to listen to the TV at the level you want without having to turn up the volume too high. Smart Ear is not just for the TV, it's also perfect for the theater, the cinema, parties, church, restaurants in fact any conversation. You can hear everything that is being said, even metres away. No longer will you feel left out of conversations.

Smart Ear is far more comfortable than normal hearing devices that have to be inserted in your ears. The earpieces are just like modern mini earphones - anyone will think you are listening to music when in reality you are listening to every word and sound around you.

SMART EAR WILL CHANGE YOUR LIFE

Easy to use

Hears a whisper from metres away

Looks like a pocket radio

No whistling noises

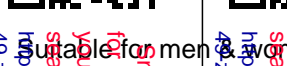

Comfortable to wear - use neck strap or belt clip

Use in shirt pocket
