## Product Overview

The Logitech Ultimate Ears ( UE) Boom 360 ° Bluetooth and NFC Wireless Portable Speaker drops bold, immersive sound in every direction. Stream audio wirelessly from Bluetooth-enabled devices or connect devices to the 3.5mm audio input. NFC technology makes pairing easy. You can switch songs, adjust volume and with the Built in Microphone on the UE Boom take hands-free phone calls from up to 15 metres away. This portable Bluetooth speaker with one-touch pairing combines a full, balanced sound with a vast array of features that is a perfect mobile audio solution for any occasion.

The speaker is built to hit the road with you - it has an Ingress Protection rating of IPX4, making it water- and stain-resistant. Its cylindrical shape allows it to go just about anywhere. Delivering 360-degree sound that fills any room it's placed in, the two 40 mm Neodymium speakers provide ultra-deep bass and tight highs that make the most of any genre. The free app for Apple and Android phone pairs two UE Booms

(additional speaker sold separately), wakes you up to music or customises the speaker's equaliser, and connects to its built-in rechargeable battery that lasts for up to 15 hours.

Wireless connectivity to most Bluetooth-enabled smartphones, tablets PC and Macs
