Product Overview

Be prepared to imagine a new era of television with the T910UWD Series HiSense [LEDN55T910UWD] 55" Curved Ultra High Definition (UHD) 4K Direct Lit LED 3D Smart TV with Built-in WIFI where Style and Luxury meet and one of the first 4K TVs to feature Ultra LED (ULED) 2.0 technology that will give users a higher dynamic contrast, a wider colour gamut and improved backlight scanning to lessen the effects of motion blur and with the aid of Ultra Dimming technology, which separates visuals into different areas of the panel.

Added to this is a High Dynamic Range (HDR) that improves the amount of detail in darker scenes, To ensure less blur and more action, each ULED TV sports Ultra Smooth Motion Rate (Ultra SMR) technology, which creates and inserts frames into the picture for smoother transitions. The benefit of this is a better viewing experience when it comes to high paced content.

Experience great detail with full 3D HDTV capabilities whenever you watch thanks to its brilliant 3840 x

2160 resolution. Connect your Ultra HD 3D television to the Internet either through the Built-in Wi-Fi or the Ethernet port and enjoy watching videos from your favourite sites and streaming services. Various content options are provided to let the ULED 3D TV work with many of the latest PCs and digital multimedia sources like USB drives and Blu-Ray discs. The internal USB port plays of this Ultra HD smart TV includes both H.264 and MPEG4/AVC video decoding for compatibility for your video files.

Don't just watch TV, experience it with the HiSense 55-inch ULED Curved 4K Smart 3D TV. It will change your movie-watching experience as images pop with clarity and vibrancy. The curved shape provides a better view of the screen because it reduces the number of reflections on it, also keeps the
