Thrustmaster PlayStation(R)3/PC Ferrari(R) Wireless F150 Italia Alonso Edition Gamepad, Retail Box, 1 year warranty

The exclusive wireless controller featuring OPTICAL CONTROL

## Product Overview

The Thrustmaster F1 Wireless Gamepad Ferrari 150th Italia Alonso Edition for PC / PlayStation®3 is an exclusive wireless controller featuring optical control for ultra-precise control over your progressive steering actions. The gamepad is a 2-in-1 controller for both PC and PlayStation(R)3. It is fully programmable and has 2.4 GHz wireless technology. Exclusive & Numbered Metalized Design Inspired By The Musetto Of The 2011 Ferrari F1 Race Car The Ferrari 150th Italia is signed By Fernando Alonso.

This exclusive gamepad delivers amazingly flexible customization options, so you can race your way. Fully programmable, with dual progressive triggers and swappable buttons, mini sticks, directional buttons, optical wheel and triggers, the F150 Italia gamepad remembers every command that you program, so your preferences are always at the ready. Tear down the speedway with the ultimate control, commanding independent brake and acceleration functions and an auto-centering optical wheel for impressive power as you fly past opponents and experience total precision around every tight corner. Add on a 2.4GHz wireless design for freedom of movement and a peach skin-textured lower grip for comfort, and you'll never want to turn off the engine with the Ferrari Wireless F150 Italia Alonso Edition Gamepad.
