You are bidding on a Like New PS4 with many extras!

I am selling my PS4 as I have purchased a new PS4 Pro. This is the original model, however I upgraded the hard drive from 500gb to 1tb so I had more space and better performance. It comes with all the accessories that came in the box when purchased and also comes with an extra FIGHTPAD PRO controller still in box! Also comes with 2 games, DESTINY and NBA 2K14, also I'M throwing in 4 Bluray Disc for free!!

All items come in original boxes and cases and are in great condition!!If you have any questions feel free to contact me :)
