The Lenovo IdeaPad I100-IBD Series Notebook is designed for everyday use that is powered with the latest 5th Generation Intel Core i3-5005U providing a speed of 2.0 Ghz processing power. The installed 4096MB (4GB) DDR3L-1600 SO-Dimm Memory on this notebook enables simultaneous running of different tasks such as productivity and entertainment and is upgradable to a max of 8GB by removing the existing memory from the slot.

The 15.6-inch display combined with a shared Intel HD 5500 Graphics and Dolby Advanced Audio produces crisp and vivid HD graphics , stutter-free visuals in 16:9 widescreen format and immersive sound for a fuller, more satisfying home entertainment experience to watch films in full HD and enjoy smooth movie playback. If you need additional on-screen workspace, you can connect an optional HDMI enabled monitor to the HDMI out.

This notebook is made possible with the fast 802.11b/g/n Wireless Lan and the 100 Mbit Ethernet LAN. In addition to this, Bluetooth 4.0 technology lets you wirelessly connect with Bluetooth-enabled devices or speakers. For connecting with external peripherals, this notebook comes with a single USB 3.0 port and a USB 2.0 port. Lenovo also gives you a built-in 720p HD webcam and microphone that lets you video chat with family and friends over popular instant messaging applications.

The massive 500Gb hard disk drive that comes standard provides ample storage for all your media and data it also features a built-in SuperMulti DVD burner so you can install programs or share your home movies on a DVD with others as well as a 4 in 1 Card reader that allows users to download content from

Digital Cameras and Mobile devices.

This Lenovo IdeaPad I100-IBD Series Notebook midrange notebook also includes a full size Keyboard with NumPad and runs on the latest Microsoft Windows 10 Home 64 Bit Edition operating system that is pre-installed, it also includes a range of utilities to get you started right out of the box immediately.

15.6" HD Widescreen with eDP (Slim 3.8mm) Display
This display delivers bright, crisp visuals in 16:9 widescreen format and 1366 x 768 resolution.

Full Size keyboard with 10-key numeric keypad
Featuring a modern look and feel, the acclaimed Full size keyboard has island-style, ergonomic keys that allow a more fluid, spacious, comfortable, and accurate typing experience and input numbers quickly and control games with ease.

Fast Data Transfer
Move data between the Lenovo IdeaPad 100 and other devices quickly with USB 3.0 SuperSpeed; it's up to ten times faster than previous USB technologies, and it's backward-compatible.

Wireless and wired network connectivity
Built-in high-speed wireless LAN connects to your network or hotspots on the most common Wi-Fi standards. The Fast Ethernet LAN port also lets you plug into wired networks.

Bluetooth interface syncs with compatible devices
Wirelessly transfer photos, music and other media between the laptop and your Bluetooth-enabled cell phone or MP3 player, or connect Bluetooth wireless accessories.

Integrated Webcam
The Lenovo IdeaPad 100 720p HD 0.3MP Webcam and single Microphone will help you enjoy web conferences or online video chats like you're really there.
HDMI Output
For easy connection to a television or other.
