Guitar Amp & Cab â€“ Vintage â€“ Marshall JCM 800 valve amplifier & JCM 900 1960 4x12â€• cab. Iâ€™m selling my Marshall stack. This is a full on valve amp. This thing is a monster; I donâ€™t know how else to describe it. The tone, the volume, the versatility; itâ€™s a monster! The head alone normally goes for about 19k second hand. The head has been serviced on 30 September 2016 by Riaan Diedericks at Musicianâ€™s Electronics. I bought this unit secondhand for R24000. Iâ€™m now selling for R18300. Reason for selling: The amp wattage is too big for the places I gig atâ€¦he he! NB - Only selling as a unit. My number: 0828037492.
