

Patio bench with storage Farmhouse series 1800 Extra width Varnished (4100 R)

Location **Gauteng, Johannesburg**

This bench is very solid and heavy and can be used on its own in the garden or is a good addition to your patio furniture. The extra width comes in handy to store all those extra cushions and swimming pool equipment.

It is also very handy in larger bedrooms as a linen kist, especially for that large hidden storage compartment whilst at the same time it can also be moved to a window for the "winter sun" and used for seating or a daybed.

DIMENSIONS

Length: 1800mm
