Miccus pool party SPX9: Rainproof, Water Resistant, Bluetooth Wireless Stereo Speaker System (Blue/Gray), Retail Box, 1 year Limited Warranty

Miccus ® Pool Party SPX9 -Water resistant, all weather wireless Bluetooth ® speaker system.

Product Overview

The Miccus Pool Party SPX9 is a 2+1 portable Bluetooth ® wireless speaker that features the latest in splash protection and water resistance. Perfect for use in the bathroom, at the beach, by the pool and more. 2+1 means that in addition to the 2 front fired speakers there is a rear mounted bass radiator to give you full fidelity in a portable all weather package.

The SPX9 pairs easily with any Smartphone, tablet, PC or other transmitter that supports stereo audio (A2DP) over Bluetooth ® wireless. Need to take a call? No problem. The SPX9 has a built-in microphone; when paired with your smartphone, you can send and receive calls. Perfect for not missing a call and for those impromptu conference calls. The Miccus ® Pool Party SPX9 is one more way to simplify your mobile lifestyle.
