52 ha farm in Boekenhoutskloof area for sale. The farm has two separate houses ± 2 km apart, each with their own security enclosure, garages, etc. The original farmhouse area has 3 bedrooms and two bathrooms, a few sheds for implements (tractors, etc.), with a dam / koi pond and a swimming pool. The second house is a beautiful thatched roof, facebrick with cottage pane type windows and doors, also with a lapa and splashpool. There are 3 boreholes on the farm. The farm was formerly used for granadilla farming, so there are existing trellis systems with sprinklers in the lands. There is also plenty of grazing land for cattle and / or game. Only about 30km from the N1 / Zambesi.
