Game of Life™'s unique business model ensures that we are a part of the entire value chain from on-the-ground management1 to anytime member support.

Advanced Bookings : Members receive Advanced Booking nights according to their Membership category that can be used across four of South Africa™'s top holiday destinations. These include Zimbali Coastal Resort, Zebula Golf Estate and Spa, Pezula Golf Estate and Spa and Elements Private Golf Reserve. Each destination has been selected for its location, facilities and quality of accommodation. Advanced bookings are linked to an annual levy and are applicable to the season defined by the Member™'s Membership category.

Extra Bookings : Members receive Extra Booking nights according to their Membership category in the Members™ and Extended Portfolios at preferential member rates. Frequent travellers will enjoy significant savings while relishing ultimate variety and flexibility across 30 South Africa venues.

Member Support : Member support is incredibly important to us. Our Member Liaison team take great care to ensure they have a thorough understanding of each Member™'s holiday preferences so that they can best serve each Member™'s holiday interests and requirements.

By carefully analysing a client™'s vacation profile, the correct membership can be selected to ensure a fulfilling holiday with extended leisure and relaxation.
