A daily commuter, a weekend warrior, a fashion trendsetter. No matter who you are or where youâ€™re going, thereâ€™s a Rio that is sure to bring out your very best. Thereâ€™s no longer a need to compromise on style when searching for the perfect combination of comfort, technology and functionality. However, it's an inline 4 cylinder 16 valve petrol engine mated to a 4 speed manual gearbox producing 75 kW of power AT 5 500 rpm and 135 Nm of torque AT 4 200 rpm, resulting in a 13.2 second 0 - 100 km/h time, reaching a top speed of 170 km/h. It has a 43 litre fuel tank. Functionality and sophistication define Rioâ€™s interior. The ergonomically-designed cockpit puts the driver in control and surrounds them in comfort, technology and convenience. The supervision cluster provides essential driving information from the clear, back-lit trip computer, making it easier to keep track of your day to day driving. To keep you focused on the road, the telescopically adjustable steering wheel puts the audio system and cruise control at your fingertips. Service intervals is every 15 000 km or 12 months which ever comes first and it still has balance of the 5 year / 150 000 km service plan and balance of the 2 year / 30 000 km service plan. HAS A FULL MAINTENCE AND SERVICE PLAN
