A daily commuter, a weekend warrior, a fashion trendsetter. No matter who you are or where you are going, there's a Rio that is sure to bring out your very best. There's no longer a need to compromise on style, performance, or comfort. The Rio is designed to provide you with an inline 4-cylinder 16-valve engine, available in 4-speed manual or 4-speed automatic AT transmission and 135 km/h or 145 km/h AT 4200 rpm, resulting in a top speed of 180 km/h. It has a 6-speed manual transmission and a sophisticated interior. The ergonomically-designed cockpit puts the driver in control and surrounds them in technology and convenience. The supervision cluster provides essential driving information from the clear back-lit trip computer, making it easier to keep track of your day to day driving. To keep you focused on the road, the telescopically adjustable steering wheel puts the audio system and cruise control at your fingertips. Service intervals is every 15 000 km or 12 months, whichever ever comes first and still has a balance of the 5 year / 150 000 km service plan and balance of the 2 year / 30 000 km service plan. H
