Esquire Scena Pull Up Projector Screen 100 Inches -2m X 1.5m, Standard 4:3 Video format , Matte White Screen Surface,1 year Limited Warranty

The Esquire PLV200 Scena Pull-Up Floor standing Projector Screen 2m x 1.5m (100 inches)- Standard 4:3 Video Format provides a perfect platform to create your very own Home Theatre Experience or Business Presentation Screenings. It is also ideal for PC-based presentations and general purpose video use in a small room. The PVC Matte White screen offers a gain factor of 1.2 (Low light Reflection Rating) making this suitable for LED, LCD and DLP projectors. The high-quality screen offers an aspect ratio of 4:3 for Video Format screen viewing.

The 2m x 1.5m (100 inches) floor standing PullUp projection screen is mounted on a height adjustable frame which can be fully retracted into a handy, compact carry system making this easy for transportation and storage. It is ideal for use in the home and on the move - the floor standing/freestanding feature of the product means the product can go just about anywhere, without the need for tools and damaging the walls with screws and hooks. This screen is a suitable size for transport in most cars

•Free standing projector screen, no need to wall-mount nor ceiling-mount
