

LAND ROVER SERIES 2a PETROL ENGINE WANTED.

Location Gauteng, Johannesburg
<https://www.freeadsz.co.za/x-196996-z>

I am presently rebuilding a 1967 Series 2a Land Rover and would like to install a petrol engine instead of the present diesel engine. If the price is right, I would consider a complete vehicle and use it for spares. I could collect from anywhere within.
