Hi

I'm selling this wonderful HP inject printer, which comes in its original packaging and goodies:

Original Packaging Box
 Original Power Cable
 Original Carry Bag

 Original Set of Cartridges

Please note:

Doesn't come with printing cable, you will need to have your own.

The Cartridges are empty, need filling or replacing.

Needs to have the printer head fixed, after noticing its faulty at times I didn't bother having it fixed i just bought another printer!.

Reason for selling:

Upgraded to a bigger printer for the printing load I'm handing on a daily basis.

Offer:

bought in 2011 and used a few times, willing to sell for 300 but consider make me an offer, it even if less than money can't exchange for anything else.
