Hi

I'm selling this wonderful HP injet printer, which comes in its original packaging and goodies:

Included:

- Original Packaging Box
- Original Power Cable
- Original Carry Bag
- Original Software Disc
- Original Set of Cartridges

Please note:

Doesn't come with printing cable, you will need to have your own.  
 The Cartridges are empty, need filling or replacing.  
 Needs to have the printer head fixed, after noticing its faulty at times I didn't bother having it fixed i just bought another printer!.

Reason for selling:

Upgraded to a bigger printer for the printing load I'm handing on a daily basis.
