I have a huge variety of stunning racing memorabilia including a beautiful sasol petrol pump etc that i would like to swap for a big heavy duty 4x4 quad bike.must have reverse gear.

I also have a large collection of slot cars,die cast cars that i would also consider swapping.

The memorabilia is worth about R100,000 and the slots etc around R80,000.

I will swap any combination and to any value.

I need a big quad,jetski,concrete mixer,mig or tig welding machine.
