## racing memoribilia, petrol tank etc to swop for big 4x4 quad, jetski etc

Location Gauteng, Pretoria https://www.freeadsz.co.za/x-198100-z

I have a huge variety of stunning racing memoribilia including a beautiful sasol petrol pump etc that i would like to swop for a big heavy duty 4x4 quad bike.must have reverse gear.

I also have a large collection of slot cars, die cast cars that i would also consider swopping.

The memoribilia is worth about R100,000 and the slots etc around R80,000.

I will swop any combination and to any value.

I need a big quad, jetski, concrete mixer, mig or tig welding machine.
