

racedrift car project (45000 R)

Location **Gauteng, Johannesburg** https://www.freeadsz.co.za/x-198180-z

This is project car almost complete car full dust because standing . moved to farm no use anymore. Motor is complete rebuild new head port and flowed has VG30 pistons is so can boost an turbo on and spitronic fuel management system. Brand new car just started not even driven yet. Brand new tyres on intercooler , fuel pressure regulater , blow off valve. Only needs "turbo branch, tug wires neatly away and an dyno and you are racing or drifting". Please no time
