

1982 Maserati Merak SS RHD (950000 R)

Location **Gauteng, Johannesburg**

Very good original condition. Unrestored car. Very few RHD SS models produced. I believe approximately 85 produced. This was the last RHD to leave the factory before production ended and it was also produced during the De Tomasso era of Maserati and not the Citroen era, hence it does not have all the terrible Citroen hydraulics of the older and normal Merak cars. I have all the original build documents and heritage certificates from Maserati SPA in Italy. Rare collectors
