Very low mileage at 16 100 km. Vehicle aquaplaned and damaged some parts on the suspension. ALL PARTS HAVE BEEN REPLACED with new parts. I spend R 160 000 on these parts. Bumpers front and rear resprayed. No body damage. New rims. New tyres. Drives very well and has plenty of extra's...These cars still selling for over R 850 000 to R 900 000...because it has had work I am selling it for cheaper. You need to have the brakes bled and wheel alignment done. I would redo the front bumper although it might only need a polish...Will consider a part trade as well..be quick as this will go
