A family of 7 is in desperate need of any household items ... They lost everything recently... They lived in a tent that they borrowed but the owner wants it back... A generous farmer in the cape gave them a piece of land with a half built house ... If anyone can donate any kind of building material - old bathroom pieces , plumbing pipes .. Taps ... Curtain rails , basically anything ... Clothes and food wil be much appreciated ... My father is driving his truck to the cape to them on tuesday night ... If anyone can help please contact us
