A Linen Cupboard from circa 1936. Believed to be made of Ash timber. (1500 R)

Gauteng, Pretoria Location https://www.freeadsz.co.za/x-202719-z

This cupboard has been in our family as long as I can remember, and I am 83 years old. The timber is in a very fine condition, there are ink and other marks as result of continuous use. Sorry the pictures are taken in parts, there is not enough space to step back to take larger pictures.

There is still some items on the shelves, and we are in the process of moving. Width about 36inches wide by 72 inches high. This item was made in the UK. the shelves are 1 inch thick. Buyer to arrange collection in Colbyn. Quality like this is no longer.
