i have a small boat for sale,in running condition.It is a unfinished project as i do not have the time to carry out last objectives.Boat comes with a launching trailer which is not registered on the road as it is too small.It also comes with a 30 bhp penta motor which i bought with the boat from previous owner,motor started on the day of purchase which is approximately one year ago,but never used by me as i have other boat motors.Completely resprayed 2 months ago and looks good.Boat can be used for both fishing and joy riding.Steering wheel,seat and throttle can be added to boat for maximum pleasure.Welcome to contact me for a appointment to view
