Safari Vehicles 4 Africa are a registered company which specializes in the building and conversion of game drive vehicles. Our vehicles are versatile to suit more than one purpose. Vehicles can be used as game drive vehicles, hunting vehicles and fire fighters, all depending on a client's specific needs. Vehicles are built to suit a variety of terrains, including, sandy, rocky and mountain terrain. Each vehicle receives personal attention and we like to give regular feedback to our clients. We want our clients to experience a comfortable drive with the best view of their surroundings. What we offer:
