

Single Seater Race Car for Sale - incomplete project (20000 R)

Location **Gauteng, Johannesburg**
<https://www.freeadsz.co.za/x-205205-z>

with a tear in my eye, I am putting my incomplete race car project for sale - no time to complete it.

It is a DAW Formula GTi single seater / open wheeler race car chassis.
 (see black&white photo of what it used to look like)
 It's 282cm long and weighs around 60 kg.
 Bare chassis, no suspension available.

It includes a VW 2.0 8v (engine code: AGG) with MP9 fuel injection, as well as Weber side-draft carbs with inlet manifold & adapter to fit on this engine, as well as exhaust manifold.

Also included is the starter, alternator, flywheel already skimmed, fan belt tensioner and aircon pump - blow cold air directly into your helmet!

Also included is a pedal box purchased recently from www.locost.co.za - it's hydraulic clutch master cylinder and dual brake master cylinders with bias adjuster - brand new.

Selling everything for R20 000 NOT NEG.
