(T & C's apply)

This is not a normal LED bulb. It's an AC/DC rechargeable lamp for daily or emergency use renowned for its usefulness and can be taken anywhere after a charge. Therefore ideal for the home, remote area, campsite, tent light, flash light, outdoors, traveling, work projects and anywhere you need light.

- The lamp has high lumen equivalent to 20W electric incandescent lamp or 10W Energy Saving Lamp.
- It is light, modern, environment friendly and low cost.
- An independent moveable lighting system with built-in high capacity and long life battery, after charging the lamp can be taken anywhere for lighting.
- Can use as home lighting, camp lighting and outdoor activities.
