1992 80 Series!

Looking for a new home for this BEAST. Perfect for 4x4 adventures or a trip through Africa.

1992 Cruiser with 324,000 miles on the clock. This 4.2 Turbo Diesel still runs like a beauty and is in daily use. Comes with a bull bar, snorkel, tow bar, roof rack and dual batteries (new).

The vehicle has recently had the right steering knuckle and front wheel bearings replaced, all bushes replaced, timing belt replaced, steering damper replaced, new front and rear propshaft, injectors and fuel pump have been reconditioned. The vehicle has also had the CV joints replaced about 2 or 3 years ago.

The body has some dents and a little rust where the roof racks sit but the interior is good and she goes! Sad to sell as it was a project of mine but circumstances change and need to.
