A story of lonely tracks stretching across limitless plains and forests, of countless antelope, of tall giraffe, of great grey elephants and the lion's roar - of Africa.

The heart of the woods such as Rhodesian Teak, Lebombo Iron wood, African Teak and Panga Panga, warm and rich in sleeping beauty, alive with character to embellish your life and home, an investment in your own good taste. This furniture is 25 years old and is preserved in showroom.
