Hi there, I have a Blackberry Z3 that I would like to swap for a Samsung or other Android phone... Anything after Samsung Galaxy S3, or maybe a Sony or something.

My Blackberry is in Great condition, with protective cover and screen protector installed. The phone has Never been dropped (to the best of my knowlage). And it comes with box and all accessories.

The reason I want to swap, is because I just can't get used to Blackberry, I've always been and always will be, a Samsung/Android guy.

Please contact me if you have an Android Phone that you would like to swap. I will send photos of my phone over Whatsapp.

Thank you.

I am in Vanderbijlpark. (Close to Vereeniging)
