This is a very neat and safe family home in a quiet, boomed-off crescent.

The house is part of a cluster which consists of 4 units.

The house has 3 bedrooms, a study and 2 bathrooms (one of which is en-suite).

All rooms have laminated flooring

The open plan kitchen, dining room, and lounge flows out on to a patio with built in braai.

The kitchen has ample cupboards, with marble tops and gas stove.

The patio can be closed entirely with neat sails, acting like an extra room for entertainment.

There is a heated rock pool with a beautiful irrigated garden, with enough space for children to play.

In the corner is a Wendy house, where garden tools can be stored.

A neat paved pathway goes around the house and leads to an outside toilet and a double wash basin.

Double automated garages provide direct access to the house.

All outside doors are fitted with safety.
