The excavator machine belongs to my late father, I actually inherited this machine from him last year after he passed on. It was manufactured 2008, its working 100% and ready to do work, very well maintained and the service history is up to date. 8409 hours, full demolition spec machine. Piped for hammer, piped for rotation, safety valves, quick hitch and bucket, grapple pad, side protection, full demo cage, work lights, boxing ring, air conditioning. Interested buyer should contact me via email or phone.
