A beautiful 1995 Shogun Pajero, one of only a limited amount was imported to South Africa, in perfect condition, except for a touch of TLC needed inside. Unfortunately there is no service record, but the paperwork is up to date.

It is a Petrol 3.5 V6, 7 seater, with a sunroof & electric windows all round, fully automatic & 4x4, CD player, front seat heaters, aircon front and back and featuring lots of space, making this vehicle a smooth and comfortable ride.

Brand new spare tire, rest of the tires are 80% new, engine in good condition and all the brakes and discs have been done recently and also has a new battery.

A few scratches on the body - due to random branches wanting to touch the magnificent body of this majestic 4x4 when in action, but never seen any kind of accidents.

Come on, you know you want it...

Urgent sale due to immigration. Cash only and sold AS IS!
