Wega have produced yet another powerful work-horse that you can always rely on. The steam taps and open front create an excellent sense of space for the barista, allowing them to utilize all 3 group heads without feeling too cramped. The steam wands have a huge range of motion meaning it allows two or even three baristas to work comfortably on the one machine. The powerful steam wands ensure that even the beginners can create perfectly textured milk up to a pro barista standard. The 6 volumetric dosage buttons for each group allow you to perfectly fine tune your extraction, depending on your customers taste. They can easily all be programmed by the barista in house, so you never have to worry about shot times. The machine does it all for you! All round, Wega units are extremely popular in the coffee industry, especially with high volume cafes. They are consistently reliable machines and are easy to maintain and service. If you are a first time buyer in the industry, this is the perfect machine for you and perfect life you easy sms or contact us at 063 764
