I'm selling my 3/4 extra-length King Koil Sycamore bed, I bought it just over a year ago (Dec 2015) especially for good back/posture support. It is a quality, comfortable bed and is basically brand new. I bought it with a mattress protector and have never taken it off. I am now getting married (#yay) and need a bigger bed, that is why I now need to sell it. See original tax invoice.
