2002 model. 1.4i opel corsa. Mechanically very good. Runs very well, sounds great & very nippy! Drives very smooth & soft. Body still good & solid. 221000kms on the clock. Interior good condition besides driver side seat which is abit torn on the side as per pics. Extremely reliable & economical! Ideal & perfect car for young person/ student or run around car. Has central locking, alarm, 2 keys, serviced regularly, has powerflow exhaust but other than that is STOCK standard. Licensed till next year still & all necessary paperwork are in order.

This car drove about 500kms down from Northern Cape to Cape Town last week with no issues so mechanically this car is great! Get in & go car!
