Location **Gauteng, Johannesburg**

Good day.
 I have a MK1 rolling cassis with papers that I am selling.
 I bought it for me and my dad and I started at a new work so I don't have any time to work on it.
 I have started to treat it for the rust and all rust is taken care of and is no more.
 The body has a few dents but can be repaired.
 The price is R5500 slightly negotiable
 Old school fenders included with a bonnet. I used my doors to cover up and protect the inside and it comes with a tailgate.
