hi i have a very beautifull 1.4 renault clio for sale. car is in very good condition as it was a lady driver. The car is very light on fuel and has got full service history,the car also has got a spare key. the car is not being driven anymore as we have other cars. there is 2 small problems that can easily be sorted and does not cost alot. the boot mechanism on inside is broken, i already found out the price for another 1 is R700 and there is a small dent on the bonnet. all paper work is in order. Im looking at R45000
