I am urgently looking for a plot or farm to rent . Long term rent with an option to buy in 5 years. Prefer around Pretoria (up to 150 km radius). Anything from 5 ha up to larger farms. Must have good water, with borehole equipped. Want to plant vegetables. House is not important, can be old or even just a rondavel or one bedroom house/flat that i can fix and make livable. I am in the building industry so can fix property myself, or upgrade anything you want me to do. Need to be able to house at least 4 to 6 of my permanent workers. Can only pay up to R5 000 for the first 6 months to a year, and there after R10 000 to R12 000 a month.I do have original paintings to the value of R1 million rand to give as deposit or security. Contact me Francois on 0723290683, if you have a property or a proposal for.
