I need to sell this urgently. Please I have dropped the price from R14 000.00 This machine is ideal for home oxygen. Also got wheels on so it's easy to move around the house. Machine has not been used since 2015 and was taken very good care of it. Also got counter to show you how many minutes / hours has been used up in total and shows minutes/hours for every session too. Medicine can also be given through this machine like a nebulizer. Cash Price not.
