Jennings super rare antique mechanical table top slot machine to swop for any car,bike,boat,bakkie or classic project.will also swop for a good chevy 350 or bigger v8 engine,or why.

the slot machine is in perfect working order and takes tokens or euro coins.these are super scarce and one like this recently sold in the states for over R45000.and the buyer admitted that he got a steal at that price.

will make a brilliant addition to any collectors mancave and will only appreciate in value.
 im looking at around R30k swop value
