People can be so cruel. This 2 Bedroom, recently painted, ground floor unit in Sable Mansions was just dumped by a potential tenant for a unit with 2 garages. How cruel. This unit has so much to offer to a tenant looking for a secure home with a lockup garage, back garden with small patio shower & bath, pretty kitchen with built-in stove and ample cupboard space. Water is included in the rent but not electricity. It is a loyal unit with a history of never cheating on its owner. With its sunny personality it is always ready to welcome its tenant home, no matter what the time. It will even share its tenant with one small dog (if the body corporate agrees). The tenant won't ever have to leave over weekends because there are squash courts, tennis courts, a putting range and a clubhouse in the complex. .
