

Jet Ski - get your skipper license (630 R)

Location **Gauteng, Moot**
<https://www.freeadsz.co.za/x-223001-z>

Online course now available!

In South Africa it is law that any person operating a water going vessel with power of 15hp or more must be in possession of a valid skipper license. This includes Jet Skis.

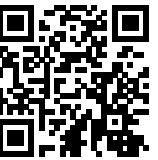

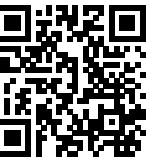

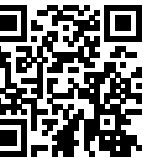

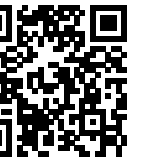

It is important to understand the rules of the water, regulations and laws when operating a jet ski. Currently the license is permanent and not renewable like a vehicle license.

With all the accidents on our waters authorities are clamping down on those who operate vessels illegally.

Click on our web link below for more details.

PLEASE KEEP OUR WATERS!
