360 DEGREE PANORAMIC 4K ACTION CAMERA, 30M WATERPROOF

If you've already had your share of fun with action shots, it may be time to take things a step further. The 360 degree action camera will let you do just that - take amazing panoramic footage of your outdoor

adventures in stunning 4K quality. Put your sports camera in the centre of the action and capture great

footage. With Wi-Fi support, you'll be able to instantly share your footage - let the world know what you've been up to in real time. You can also save your photos and videos to an SD card, then pop the card straight into the big screen via HDMI. Thanks to H.264 encoding, the cam will store your footage efficiently without compromising its quality. With a micro USB, you can also connect the cam directly to your laptop or PC - it's compatible with Windows XP/7/8/Vista and Mac 10.5 or above.

The 1200mAh battery gives you up to 1.5 hours of shooting time. The action cam comes with a waterproof case that will allow you to take the camera as deep as 30 meters down. With a set of brackets, adhesive and mounts that come with, you will have everything you need to capture great footage right out of the
